INTRODUCING MYSELF

There is saying that if you want something to be done well, do it yourself. So, I am following this wise saying and would like to introduce myself. My first name is Sergei, my family name is Kravenko.

But in the beginning, I would like to represent my family and parents. Actually, my family is not large; my family consists of my father, mother, sister and me.

My father's name is Yuri. He is 41 years, but he looks much younger. He is businessman. My dad is a well-educated and well-read person; he has experiences in many fields. That is why it is always interesting to communicate with him, he usually tells many exciting stories, of course, if he has free time.

My mother is 37. Her name is Natalia. She is a good looking, blond woman. I admire her character. She is an optimist; she is full of energy and enthusiasm I really adore her sense of humor. She is a housewife. It takes her much time and power to take care of our home. But I can assure, she copes with her job very well. Besides, both my farther and I help her with the housework. For example, I wash dishes, plates, sometimes go shopping and so on.

I enjoy spending time with my family very much. We often go for walks. I enjoy strolling along streets because my parents usually tell me many interesting details of the history of our city. That is all reason I am fond of travelling with my parents. My mother spends much time in the kitchen- she is keen on cooking. We always find out new recipes, try them. When I was a child, my father involved me in stamp collecting. Since that time, stamps and ancient coins have become my hobby. We have a huge collection of stamps and coins. It is impossible to name all the things we can do together, so I think I can stop here.

I would like to see my father's parents. But they were gone before my birth. According to my parents' words, they were wonderful and outstanding people. But to my mind, my dad inherited their best features. My parents are remarkable people: kind-hearted, honest they have moral values and do not break promises. They understand me completely. They allow me almost everything; they always give me good advice and, frankly speaking, I do not know what I will do without them. I am very lucky that I have such wonderful parents and, of course, I love them very much.

Now, I think, it is time to speak about myself. My name is Sergey, but my friends call me Seriy. I am 16.

I am tall and not bad built. I have an oval face and large green eyes. Speaking about my character, I can say that I am friendly, kind, generous. I don't like falsehood. I appreciate people's honesty, kindness, sense of justice and intelligence. I have my own likes and dislikes. I am modest and sometimes shy, but don't advice someone tricking or kidding me. But in spite of all these characters, I can keep secrets: I never let my friends down. I am sociable, so I have got a lot of friends among my classmates. I usually say, what I think, that is why people around me often take offence. I don't like when people are rude and aggressive.
